OINDO CELESTINE ADHIAMBO

SUMMARY OF WORK EXPERIENCE, PROFESSIONAL FOCUS AND INTRESTS

My academic and professional interests revolve around research and quality control of process that impact on customers.

I am a certified Environmental management systems ISO 14001:2015 auditor. I have specialized in laboratory Management Systems ISO/IEC 17025 audit, with a keen focus on method validation and uncertainty of measurements.

I am able to work under pressure, delivering on tight schedules having worked on shift in a busy manufacturing company, and having knowledge on the use of Balance Score Card principles in conjunction with insight on principles of lean six sigma tools.

I did undertake a project research work on pollution level as a result of socio-economic activities around River Sare in Awendo division, in my diploma level of study.
